MODELING NUDE HAS BECOME MY NEW FAVORITE HOBBY. I THINK YOU LIKE IT TOO.

Making adult videos is kinda new for me. I'm really very shy and to take my clothes off in front of the camera, or meet a new guy and have to suck his dick, or have him lick me, or fuck me, well, that was way beyond my comfort zone. But, I try to overcome that because I have a really high sex drive. I masturbate at least once a day, even if I have sex on that day.

I only had one boyfriend before making videos, and now that I've made a few, I realize how bad he was...

Okay, he wasn't that bad, but now I realize just how very inexperienced the both of us were. Yeah, it was hot, but sex now sizzles for me. I've become much more tuned into my body now that I'm fucking more. I had a one hell of a good time doing this shoot and making the video. Man, this guy can do me right. I loved sucking his cock and then taking it deep inside my pussy. So after you're done watching my new video, you'll be able to see my new sexuality. Now that's hot!

I feel that I become happier, prettier and even stronger when I pose naked. It was a little hard to do that in Iowa, but now I'm in sunny Arizona. Four years ago I, got hurt playing soccer and couldn't walk for a while. It sucks that it still hurts every now and then, but I get by. Being a four wheeling and mudding aficionado attests to that. I'm into anything redneck, and that includes fucking some hunky, corn-fed farmer boys.

My favorite position is doggy style but I'm not into anal. I tried many times, and even though I got used to it, for me, there's nothing better than a large cock filling my tight midwestern pussy. As for dilly-dallying with chicks, I've been experimental. I'm straight but my boyfriend sometimes says I'm bi-curious. One of my secret naughty fantasies is to be out shopping with a girlfriend and she asks my to into the dressing room with her to try on some lingerie. Well, I think you get the picture. Yummy!

I believe I have found myself confident enough to do what I said I would never do.

what to do with all this leg?

If you told me years ago that I'd be writing to a magazine, of any kind. I'd tell you I wasn't interested. Then if you told me that I'd me writing about myself, I'd say, that's not like me. And, if you said that I'd be writing about sex, I'd say never. Never in a million years. Well, times have changed and so have I. I believe I have found myself and enough self-confidence to do what I said I would never do.

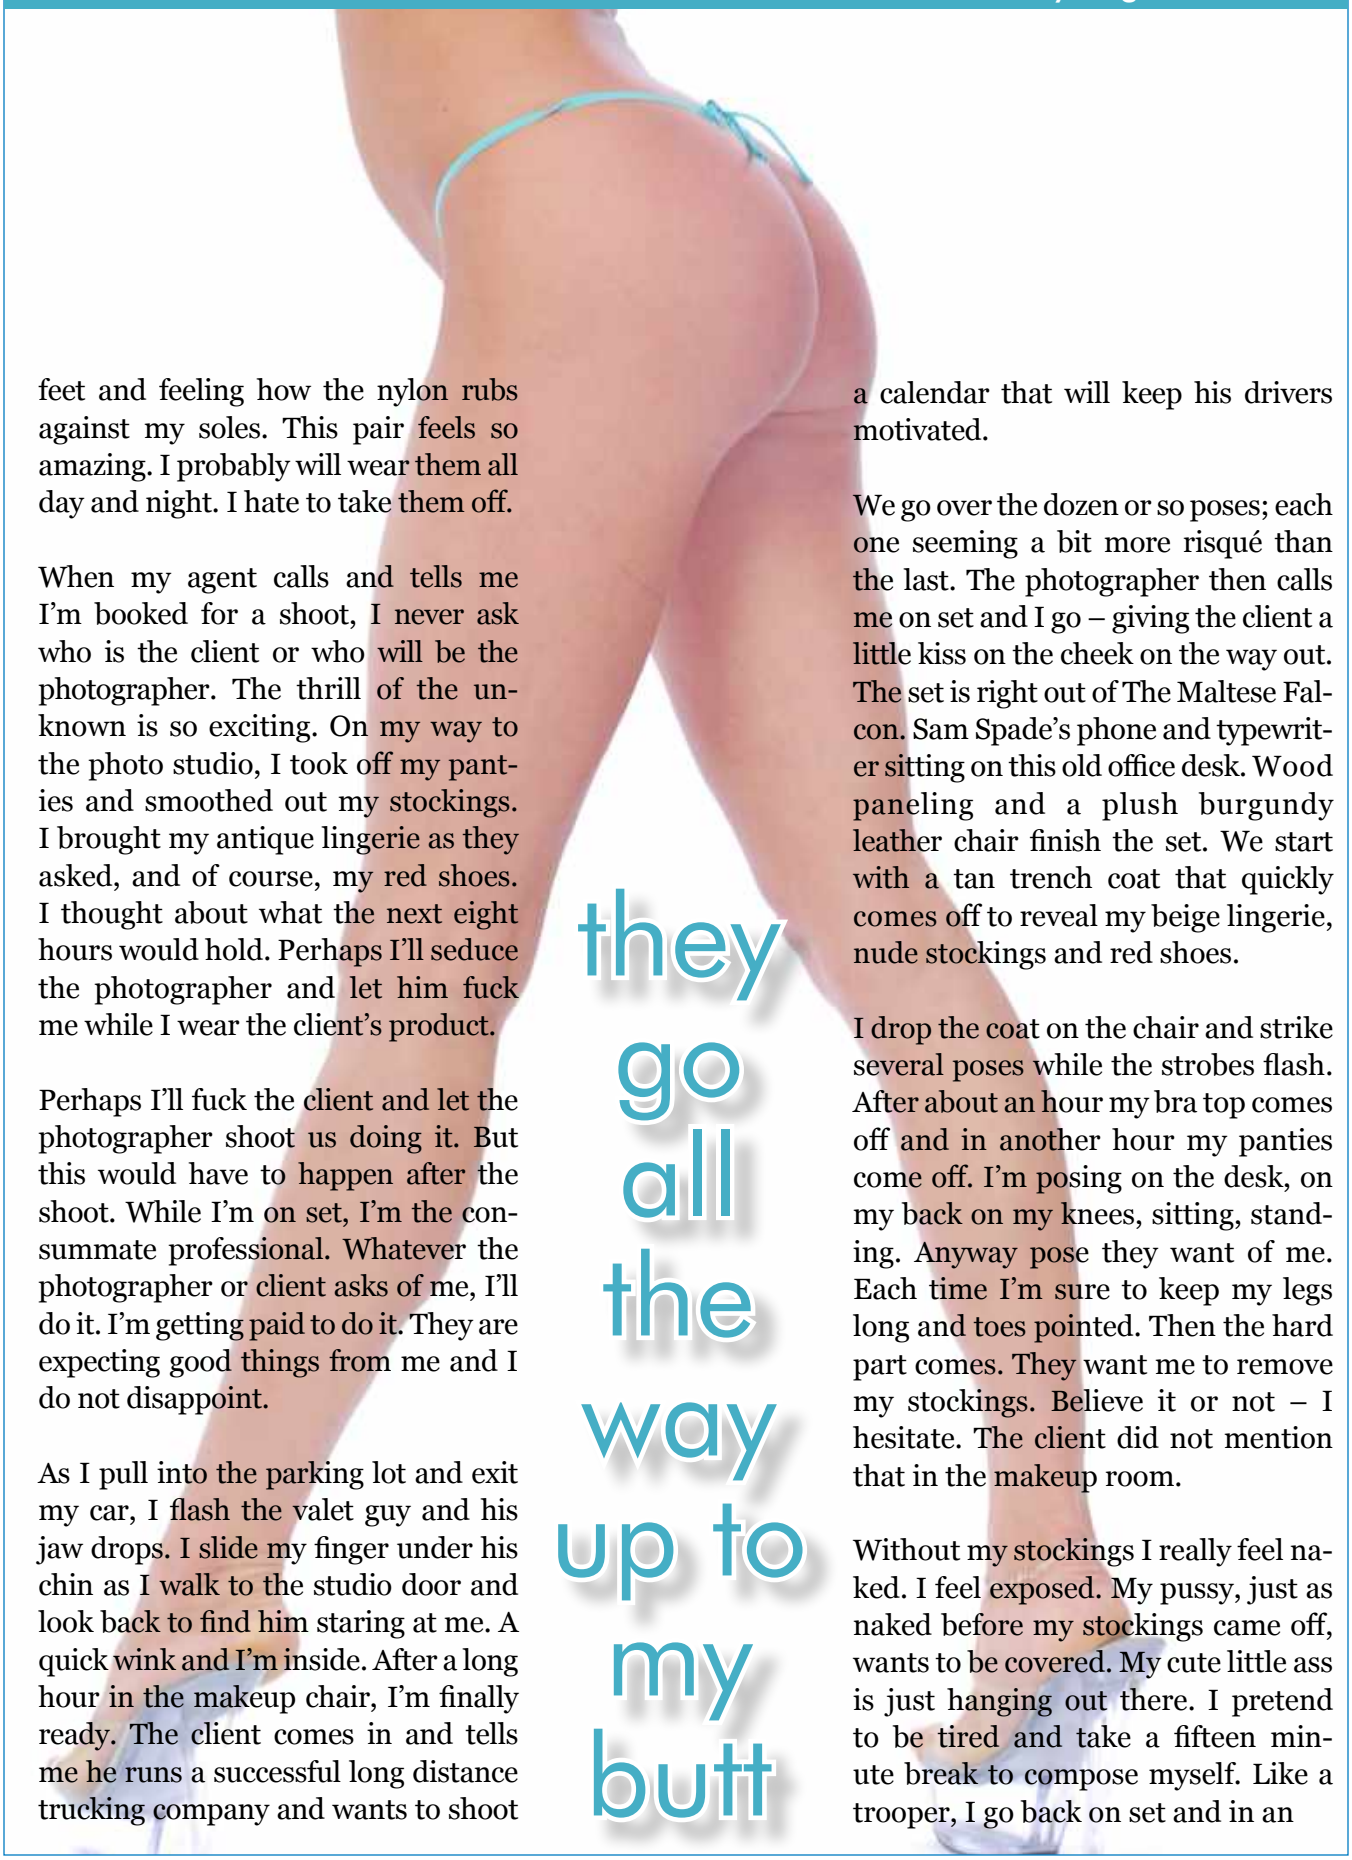
So it goes like this... While I'm kinda tall for my age, I've been blessed with really nice, long legs. I like wearing short skirts that will allow me to teasingly extend my legs. I also love to wear stockings, and all sorts of hot lingerie. Even more than stockings, I love the look and feel of the tight elastic of garter belts. My name is Shayla and this little trait of mine led me to posing for the camera when I was just nineteen; and it slowly became my libido's drive. Oddly enough this little pastime turned into my profession.

The feeling of the garters against my thighs, stretching the tops of my stockings up to them to fasten them securely on my legs – with their tricky hard little snaps and rings just make me melt. All of the subtle creases and shade gradations seem so much like the folds and colorations of pussy. To touch there softness and feel the folds is one step from climax.

By covering up my feet and thighs with stockings or with thigh-highs, make my exposed flesh feel quite bare by comparison! Just a short way up, my pussy is exposed and framed by the garter belt. My personal approach to photographic erotica has much to offer the stockings lover than most.

I understand the erotic feeling of sliding stockings over my legs and teasing my lover into submission with them. I try to capture the tactile qualities of the stockings I wear in my photos. I like to think about a guy thrusting his big cock into my moist, sweet pussy as I rub my silky stockings over him! I like how the wrinkles show the garments delicate stitches because they remind me of genitals.

I've had thousands of photos taken through the years but I just had to share this image of my sexy, long legs in a new pair of stockings for my nylon obsessed friends! I had bought these stockings to pose in for a fetish website, but of course I wasn't been able to resist wearing them after the shoot. I really like the back seams of stockings and love wrinkling up my



feet and feeling how the nylon rubs against my soles. This pair feels so amazing. I probably will wear them all day and night. I hate to take them off.

When my agent calls and tells me I'm booked for a shoot, I never ask who is the client or who will be the photographer. The thrill of the unknown is so exciting. On my way to the photo studio, I took off my panties and smoothed out my stockings. I brought my antique lingerie as they asked, and of course, my red shoes. I thought about what the next eight hours would hold. Perhaps I'll seduce the photographer and let him fuck me while I wear the client's product.

Perhaps I'll fuck the client and let the photographer shoot us doing it. But this would have to happen after the shoot. While I'm on set, I'm the consummate professional. Whatever the photographer or client asks of me, I'll do it. I'm getting paid to do it. They are expecting good things from me and I do not disappoint.

As I pull into the parking lot and exit my car, I flash the valet guy and his jaw drops. I slide my finger under his chin as I walk to the studio door and look back to find him staring at me. A quick wink and I'm inside. After a long hour in the makeup chair, I'm finally ready. The client comes in and tells me he runs a successful long distance trucking company and wants to shoot a calendar that will keep his drivers motivated.

they go all the way up to my butt

We go over the dozen or so poses; each one seeming a bit more risqué than the last. The photographer then calls me on set and I go – giving the client a little kiss on the cheek on the way out. The set is right out of The Maltese Falcon. Sam Spade's phone and typewriter sitting on this old office desk. Wood paneling and a plush burgundy leather chair finish the set. We start with a tan trench coat that quickly comes off to reveal my beige lingerie, nude stockings and red shoes.

I drop the coat on the chair and strike several poses while the strobes flash. After about an hour my bra top comes off and in another hour my panties come off. I'm posing on the desk, on my back on my knees, sitting, standing. Anyway pose they want of me. Each time I'm sure to keep my legs long and toes pointed. Then the hard part comes. They want me to remove my stockings. Believe it or not – I hesitate. The client did not mention that in the makeup room.

Without my stockings I really feel naked. I feel exposed. My pussy, just as naked before my stockings came off, wants to be covered. My cute little ass is just hanging out there. I pretend to be tired and take a fifteen minute break to compose myself. Like a trooper, I go back on set and in an

other hour we are finished and I've given them just what they want.
I'm now in the dressing room packing up my things when the photographer comes in. He tells me he sensed my uncomfortableness but couldn't figure out why. I was just as exposed with the stockings on or off, wasn't I?

I told him it was not about my pussy, but rather my legs. He smiled knowingly and we had a quiet laugh. He asks if I had put the stockings back on and I showed him that I had. But I had not put my panties back on. He points that out and gently brushes my pubes as he does. I look at him and smile saying I usually don't wear them home.

I masturbate in the car driving home because the shoots always get me hot. I look at him and take his hand and place it on my mound. I'm hot for him but try not to be too obvious. He obliges by gently rubbing my clit and I respond with soft moans.

I pull my body closer to his hand and press it into me. He inserts his finger into my pussy, but I tell him no, I only want him to rub me. I feel it pull out, very wet and still probing. He begins to swirl his long finger harder around my clit and I'm getting wetter and wetter. I pull his huge cock out of his jeans and slip it between my stockinged legs.

and they split at just the right spot

I squeeze it, preparing him for something he probably has never felt before. The feel of the nylon surprises him but I reassure him it will feel so good on his cock.

There's a smooth roughness to the fabric and it rubs him with just enough tactilness so it feels good. We're standing there in the dressing room with his hand rubbing on my wet clit and his cock between my long legs. I push gently against his balls and let them feel the fabric.

I circle them with my toes before pushing one deeper between his legs. The heat between us rises as we rub each other until he breaks away and kneels down to lick me. I push him away and, still kneeling, goes back to using his fingers. He slowly moves his face in and begins to lick me again.

This time I let him, pulling his head deeper into my pussy so his tongue can reach every fold. He keeps at it, fingers then tongue, then fingers, then tongue. My body shudders as I climax with one of my long legs wrapped around his neck and back, my stockings still perfect. I get myself together quickly, thank him and rush out the door as he shouts back - "What about me!!!" I laugh and can't wait to masturbate again in the car.

WANT TO SEE MINE?...

Last year I went back to summer school to try to further my education. It turned out to be a lot of fun. I didn't learn much but I got to fuck a lot of girls that I met there. I thought it was such a cool thing that I decided to enroll in night school to see what that was all about. I took an art class because I though the most liberal girls would be in it, and was I right. There were three of them and one was married and a couple had kids but no husbands. As far as I was concerned, they were all fair game.

One evening I was drifting off in class, actually trying to fall asleep when I hear, "Justin, quit staring at my butt?" That was Rockie, the cute blonde that sits right in front of me. "I'm not, but you know your ass is so hot." She turns around and giggles at me. I pick up the sign this time and after class I invite her for coffee.

We go to the corner coffee shop and find a small sofa to sit at. I get the drinks and after a few we get to talking about our sex lives. Mine isn't too interesting and, it turns out, neither was hers. She says her boyfriend has a small cock. She thought it was cool at the start because she could easily get it all in her mouth, but when it never got much bigger, it never satisfied her pussy. She asks me what my size is and I humbly brag that it's eight inches. She leans over and looks at my crotch and says "Let me see it!"

She reaches down but I stop her. We're in a public place, I thought. But now the damage was done. My penis starts to grow in my pants. I wanted to take it out and show her but I didn't. She suggested we go back to my place so she could see it. How could I refuse, horn dog that I was. We get to my place and park it on the couch. "I gotta get home soon, so let me see it." she says. Immediately she unbuttoned my pants and pulled them down. She grabbed it, and when she saw it perk up after fingering it for a second, she started asking me all sorts of questions because she said her man had lost interest in sex.

"Justin, quit staring at my butt?"
That was Rockie, the cute blonde that sits right in front of me.
"I'm not, but you know your ass is so hot."

BLAIR-NTS-09

I told I hadn't, as she could see from my now seven-inch-on-the-way-to-eight-inch cock. She giggled some more when, in return, I asked to see her boobies. She unbuttoned the front of her shirt and there they were, full and round in her bra. I took off her shirt and went to take off her bra when she looked at me smiled and turned around. She told me how bad she had been and that I should take it off for her.

After that, I took off her panties and started to rub her clit. She told me to rub faster so I rubbed faster with my tongue darting in and out of her pussy. She seemed to really enjoy it so I went faster until she said watch out, but that turned me on more so I kept licking. When she came she screamed. I lapped up her pussy juice but left plenty for lubrication. She turned around and grabbed my cock and she was going to please me now. She grabbed my penis and shoved it in her pussy only once to get the juices all over it, then she started to work her digi-magic.

Her hands were way better than mine, softer, more tender, more attentive. Then she started making rings around the head with her tongue. Within three minutes of this attention, I managed to get a "I'm cumming!" out of my mouth but she sucked on it until I was screaming in pain because of how tender it got after cumming.

But Rockie couldn't stop. I could only watch as her tongue circled the head once more being sure to get under the rim, searching out every last drop. When she finally was satisfied, she hurriedly got dressed and headed for the door. "I gotta go right now." she said. "I'm gonna give my boyfriend the best blow job he's ever had." Damn, and there wasn't a damn thing that I could say to that?

– Justin in Tempe

ROMANCE U...

Despite my youngish age (I'm twenty), I have always been told that I have an old soul; although I know myself to also have a naturally youthful attitude toward life, and understanding of the absolute importance of joy and ultimately, of sex. In this crazy world sometimes it is the most essential, and human of needs that are left by the wayside.

She grabbed my penis and shoved it in her pussy only once to get the juices all over it, then she started to work her digi-magic.

Since I have a great passion and inner need to look after and care for people, I am determined to cater to all of these needs. This could be having an open ear for you, a gentle touch, sharing laughs, experience intimacy and providing genuine companionship. To me, this is what a good companion does and I strive to be your perfect partner in escape and fun.

Just like the time I knew I was being naughty and I knew I was excited by it but I just kept kissing, opening my mouth and letting his tongue explore mine, sharing our breathing until we'd started rubbing our hips together. My boobs were mashed against his lower chest and I could feel hardness against me. In a few more minutes he asked me if I was still okay with this and my answer was reaching down between us and feeling his cock through his pants while starting a very deep kiss which I remember ended with him taking me into the bedroom.

I reached around and fumbled a bit with his belt buckle, his zipper and, breathing really, really fast, forced my wrist and hand inside his opened pants until I could actually feel the skin of his cock. It was hard, very thick and quite long with two large, very warm balls beneath. The head was covered by skin when I first touched it and I knew I was feeling my first ever uncut cock, actually, the third or fourth cock I'd ever felt. When I touched the tip, then fondled his balls, he squirmed, moved his legs apart and reached around to take my skirt off and find the waistband of my panties. He pulled it back and slide his big fingers down to the thin black hair on my front down low and then rubbed the very wet lips of my opening.

When he did that, I almost fell on the floor as my legs suddenly went very weak. He caught me, lifted me and took me to the bed where I remember he leaned me against it, removed my top, my bra, slid my lace panties and skirt off. He then stood, never taking his eyes off me, and dropped all his clothes and sat me down facing him.

Dear reader: please close your eyes an imagine what I am doing to him. A proper lady is only a tease. She does not kiss and tell. I will tell you, I was not a proper lady that night.

I have the wettest pussy that yearns to be filled. Sometimes it calls to me in the middle night demanding that something be done to fill it. If there is no man around, I start with my fingers and then find my trusty dildo to finish me off. While these are good things, a hard cock is the best. But, somehow, there always seems to be a man around. Go me!!

tiffany: :double stuffed

I have a week to learn to shoot with a bow and arrow. I've come to the woods with two classmates that are going to show me how to do that. Maybe I can get our dinner tonight. But first, I promised the guys to show them what I do best – fuck. Not just fuck, but fuck two guys at the same time. It didn't take much convincing, especially when I unzipped their panys and pulled those cocks out and into my mouth. Not too many girls can handle that. I'm a go-getter and when there are a couple big cocks around, I go get them.
